Equality commitments

We are committed to:

- Promoting equality of opportunity for all persons;
- Promoting a good and harmonious working environment in which all persons are treated with respect;
- Preventing occurrences of unlawful direct discrimination, indirect discrimination, harassment and victimisation;
- Fulfilling all our legal obligations under the equality legislation and associated codes of practice;
- Complying with our own equal opportunities policy and associated policies;
- Taking lawful affirmative or positive action, where appropriate;
- Regarding all breaches of equal opportunities policy as misconduct which could lead to disciplinary proceedings.

4 Implementation

The Chief Executive has specific responsibility for the effective implementation of this policy. Each partner, manager and supervisor also has responsibilities and we expect all our employees and suppliers to abide by the policy and help create the equality environment which is its objective.

In order to implement this policy we shall:

- Communicate the policy to employees, job applicants and relevant others (such as contract or agency workers);
- Incorporate specific and appropriate duties in respect of implementing the equal opportunities policy into job descriptions and work objectives of all staff;
- Provide equality training and guidance as appropriate, including training on induction and management courses;
- Ensure that those who are involved in assessing candidates for recruitment or promotion will be trained in nondiscriminatory selection techniques;
- Incorporate equal opportunities notices into general communications practices (eg, staff newsletters, intranet);
- Obtain commitments from other persons or organizations such as subcontractors or agencies that they too will comply with the policy in their dealings with our organisation and our workforce;
- Ensure that adequate resources are made available to fulfill the objectives of the policy.

5 Monitoring and review

We have established information and monitoring systems to assist the effective implementation of our equal opportunities policy. The effectiveness of our equal opportunities policy is reviewed regularly and action taken as necessary. For example, where monitoring identifies an under-representation of a particular group or groups, we shall develop an action plan to address the imbalance.

6 Complaints

Employees who believe that they have suffered any form of discrimination, harassment or victimisation are entitled to raise the matter through our agreed internal procedures. A copy of these procedures is available from the Office Manager. All complaints of discrimination will be dealt with seriously, promptly and confidentially.

Having exhausted our internal procedures, employees have the right to pursue complaints of discrimination to an Employment Tribunal under Disability and Equality Act 2010 legislation.

Every effort will be made to ensure that employees who make complaints will not be victimised. Any complaint of victimisation will be dealt with seriously, promptly and confidentially.

Victimisation will result in disciplinary action and may warrant dismissal.
