SES-SP-01

Policy Statement

SweepTech Environmental Services Ltd (The Company) is committed to ensuring the safety of its employees, customers, members of the public and anyone else who are affected by our operations.

The company commits to operating in accordance with the Health and Safety at Work (etc) Act 1974, The Management of Health & Safety Regulations 1999 and all other applicable regulations and codes of practice, so far as is reasonably practicable.

The management will ensure that risks associated with our activities are assessed with suitable and sufficient control measures in place to allow each employee/contractor to carry out his/her duties safely and without uncontrolled risks to their health or safety.

Suitable equipment will be provided and maintained in a safe condition. Safe systems of work will be implemented and communicated as appropriate.

The company shall strive to achieve continuous improvement in Health & Safety performance.

The company will provide all necessary resources to ensure that all Health and Safety matters are adequately controlled. This includes, training, personal protective equipment, adequate equipment/tools & maintenance for this equipment.

Each employee/contractor will be made aware of his/her responsibility for his/her own health and safety and that of others. All employees/contractors will be given the opportunity to consult with the management on matters relating to Health & Safety, or to appoint a representative to do so.

The company will seek external advice as necessary to keep its health & safety policy, working practices and equipment up to date and in accordance with current legislation.

Ultimate responsibility in all areas of safety rests with the Directors. This duty is of no less importance than any of the responsibilities attached to that position.

Reviews of Health and Safety Policy will be made annually no later than 1 year after the date on this policy. The monitoring of all issues relating to this policy is the responsibility of the Directors.
